

SAUSALITO, Calif., October 9, 2022 /PRNewswire/ — Sausalito Art Festival Foundation Announces Art Weekend Sausalito, Benefit Art Sale.

On October 14-21, the Sausalito Art Festival Foundation will hold a benefit art sale with proceeds donated to the Sausalito Center For The Arts (SCA). SCA is a new art center in downtown Sausalito whose mission is to “enrich the cultural experience of Marin and unite our community through diverse artistic expression for the benefit of all.”

Since its inception, the Sausalito Art Festival Foundation (SAFF), has played a large role in helping to bring SCA to live. “Members of the SAFF Board sat on the task force that drafted the original proposal to create SCA and since being awarded the opportunity to lease the venue from the City of Sausalito, has helped significantly in the creation of SCA,” stated Louis Briones, Chairman of the Sausalito Art Festival Foundation.

Art Weekend Sausalito is a juried event which drew artist applications from across the nation. The event will feature approximately 60 artists presenting work in multiple artistic categories. Several of the artists have exhibited in prior Sausalito Art Festival’s, but many are new to exhibit with SAF. All proceeds from the event will be donated to SCA to help in the physical transformation of its venue from a Bank of America, to a regional art center.

For 68 years the Sausalito Art Festival has been recognized as one of America's premier outdoor art festivals and is a winner of countless industry awards. However, in recent years it has been shut down by the pandemic and a homeless encampment that moved into its traditional location, Marinship Park.

SCA is located in downtown Sausalito and will be transformed into an art gallery “pop up” for the event. The event is open to the public at no charge and will represent work in multiple artistic categories.

“The mission of the Sausalito Art Festival Foundation is to support, encourage, and support the arts. The mission of SCA is closely aligned with the mission of SAFF and our Board has been eager to play a large role in getting SCA off the ground. Especially since we cannot put our efforts into the production of the annual Art Festival as we continue to wait for Marinship Park to be repaired,” stated Briones.
